

Thank you for committing to become an i-PARENT. The first step is to register online and set-up your i-PARENT account. It's EASY!

- 1) Go to www.isafe.org.
- 2) In the upper right-hand corner, click on "Create Account" (located beneath the "Username" and "Password" boxes).
- 3) A new browser window will pop-up. Read the information in this box/window, then navigate to the bottom of it and click on "OK." This will take you to the "Registration" page.
- 4) On the Registration page, beneath "Select Country" either click on the square box next to "United States" or open the "Select your country" drop-down box and select your country.
- 5) Then, beneath "Membership Type," navigate down and click on the radio button (small circle) next to "Parents/Fifty+" and go to the bottom of the page and click on "Next."
- 6) On the next Registration page that opens, enter your personal information (i.e., title, first name, last name, street address, city, state, zip, phone, fax, e-mail address) and your "Account Info" (i.e., password). **NOTE:** Entries are required for fields marked with an asterisk "*" .
- 7) Confirm your e-mail address, since your e-mail address will be your user name for your i-PARENT account on the i-SAFE Web site. Also, confirm your password is correct. Then, navigate to the bottom of the page and click on "Next."
- 8) When the next Registration page opens, you will see "Confirm Information" and your e-mail address and user name will appear as you entered it. Please make sure this is your correct e-mail address (if it is NOT correct, click on the "back" box and fix it). If your email address is correct, click on the "Next" box.
- 9) When the next Registration page opens, you will see your personal information (as you entered it). Then, just below "Contact Type," expand the "Contact Type" drop-down box/window and click on "parent." Then click on the "Next" box.
- 10) When the next Registration page opens, beneath "Organizational Info" enter the name of either your school, or your organization, or your company. IF you are associated with a school, expand the "Select school level" drop-down box and select the appropriate level. Then,

IF you have the time and want to become ACTIVELY involved in promoting Internet safety education in your school(s) and/or Internet safety awareness in your community, click on the square box to the right of "i-PARENT Board Member;" and

IF you want to receive updates and i-SAFE Internet safety Newsletters via e-mail (which we HIGHLY RECOMMEND), click on the square box to the right of "i-SAFE Newsletters."
- 11) Go to the bottom of the Registration page and click on the "Finish" box. Another Web page will open. Read the information and then click on the word "Continue" at the bottom of the page. This will take you to www.isafe.org where you will be logged-on to your new i-PARENT account.

Here's your chance to become certified to bring Internet safety education to your home, or to teach other parents in your community. It's easy to get involved, watch the i-PARENT Online modules at <http://ilearn.isafe.org>
